BIG OPENING DANCE, 26TH

By Review Representative

DEEP COVE, Oct. 18.—The Deep Cove Social Club opened their winter season of social events on Friday evening with a military 500 drive and impromptu dance. The hall presented a very attractive and pleasing appearance with the decorations of greenery, autumn leaves, and streamers of blue and gold, the club colors. Mr. Alan Calvert, convener of the card committee, and Mr. Bert Copithorne, president of the club, welcomed the many guests, composed of members and their friends and members of sister social clubs.

Military 500 was played at 21 tables, keen rivalry and friendly competition continuing throughout the 20 hands, at the conclusion of which three tables with 26 disks tied for the first prize, and on the cut being taken first prizes went to Mrs. J. Copithorne, Mr. and Mrs. Lawson and Mr. C. Bradbury, while second prizes went to Miss Amy Livesey, Miss Anne Lorenzen, Mr. W. Beswick and Mr. Bert Copithorne. The consolation prizes, which created much amusement, went to Miss Dorothy Calvert, Miss Lillian Nunn, Mr. A. Calvert and Master Peter Ricketts.

At the conclusion of the cards the supper committee, Mrs. Calvert, Mrs. Alder and Miss Molly Clark, served dainty refreshments and a social half hour was enjoyed.

The remainder of the evening was spent in dancing, the music being supplied by Mrs. Horth and Mrs. Fike at the piano and Mr. R. Beswick at the drums.

The evening was a most delightful and enjoyable one, marking the first of many such pleasant "get-together" nights, and the card committee are being congratulated on its success.

At the conclusion of the evening the president announced that the regular weekly card parties would commence next Monday evening, Oct. 22nd, at 8.15 o'clock, when progressive 500 would be played and refreshments served.

On Friday evening, Oct. 26th, the first of the regular monthly dances will be held and a good time is assured all who attend.

NORTH SAANICH LIBERALS MET

The regular monthly meeting of the North Saanich Liberal Association was held in Matthews' Hall on Saturday evening, Oct. 6th. President Alex. McDonald was in the chair and practically the whole district was represented by those present. In the discussion that took place local, provincial and federal questions were under review.

Special reference was made to the fruit situation in its relation to the tariff, the great advance made this year by the B.C. egg production without the aid of high protection receiving note.

That the Canadian tariff on fruit was as high or in some cases higher than the U.S.A. tariff rate was also noted. The discussion on these questions clearly revealed the danger of considering only the point of view of the producer and overlooking the consumer. That the question of tariff is a national one and must be viewed as such cannot be too definitely stated, the local situation illustrates this point clearly. Nova Scotia and eastern interests wish a higher tariff on coal, British Columbia a lower or no tariff.

The president reported on a very successful meeting of the Nanaimo Federal Liberal executive recently held in Duncan.

The next meeting will be held on Saturday, Nov. 3rd.

Ladies' Aid Meeting

The regular monthly meeting of the Ladies' Aid was held at the home of Mrs. A. Williamson on Wednesday, Oct. 10th. There was a very good attendance of members, the president, Mrs. Simister, occupying the chair and opening the meeting. The secretary's and treasurer's reports were read and proved very satisfactory.

A discussion of the repairing of the church basement followed and arrangements for the Halloween silver tea, which is to be held in Wesley Hall, on Oct. 31st; this is being held especially to welcome the non-members and the new-comers to the district.

Mrs. Shado, Mrs. Douglas and Mrs. Critchley are in charge of the entertainment and Mrs. Homewood is convener of the tea committee. The next meeting of the aid will be held at the home of Mrs. Hall at the Experimental Farm, on Nov. 14.

Masquerade Ball

The masquerade ball that will be held in the Agricultural Hall, Saanich, on Wednesday, Oct. 24th, is being given by the Saanich Board of Trade. The committee in charge are putting forth every effort to make the evening a jolly one and excellent prizes are being given for the best costumes. Mayor Pendray of Victoria and Reeve Crouch of Saanich are expected to be present. Come along and take in the big event!

PLAN GARDEN CONTEST HERE

The executive committee of the North Saanich Horticultural Society met Thursday at the home of the vice-president, Mrs. J. J. White, for the purpose of planning work for the coming year. The advisability of establishing a horticultural and floral library in connection with the society was left in the hands of the committee composed of Mrs. R. Harrison, Mrs. J. J. White and Mr. J. A. Nunn.

It has been decided to hold a local garden contest this year for which three cups will be offered, the winning gardens being entered in Vancouver Island contest. Although the Saanich gardens failed to secure a place among the first three in the last Island contest it may be noticed that Mrs. R. Harrison secured second place for her flower garden, losing points, however, on her vegetables.

To stimulate interest among the children a junior garden contest will be held for children 14 years and under. Mr. J. A. Nunn has charge of this department and further particulars will be published at a later date. The next monthly meeting will be held in Wesley Hall on Nov. 1st. Mr. L. E. Taylor, president of the society, will be the speaker for the evening, taking as his subject "Lilies," their propagation, culture and history. Mr. Taylor hopes to have several fine specimens on exhibition, which he has grown himself from seed. It may be stated that at the society's summer flower show Mr. Taylor won the award of merit presented by the Canadian Horticultural Council for the most outstanding exhibit in the show, the same being eight varieties of lilies grown from seed.

The regular weekly meeting of the Young People's Society was held in Wesley Hall on Tuesday evening, Oct. 9th. Winnie Thornley conducting the opening services, followed by Rev. Lee's ten-minute talk on the Book of Deuteronomy. In the absence of the president, the vice-president, William Owens, took the chair and the secretary's report was read and adopted. It was decided to hold the debate, "Should Industries Be Nationalized?" at the next meeting instead of Oct. 30th as arranged. It was discussed as to when the play would be held at South Saanich but no definite date was determined.

It was moved and carried that the members of the Sidney Y.P.S. journey to South Saanich on Jan. 14th to hear Dr. Hugh Dobson, of Vancouver, his subject is to be "Marriage." A very hearty vote of thanks was passed to Bill Basher for making the frame for the program which is hung on the wall in Wesley Hall.

At the close of the business meeting Rev. Lee took charge and after a short sing-song he gave his most interesting address on "Missions in India." He took as his topics "Social Life in India," "Missions in India," and last the "United Church Mission Work in India." A hearty vote of thanks was tendered Rev. Lee for his interesting address, after which a discussion followed until it was time to adjourn.

Owing to lack of space last week the report of the Y.P.S. was left out. Mr. W. Owens was in charge and his subject was "Vocations." He gave many interesting facts and cited a number of examples. In closing Mr. Owens suggested that each member do some serious studying this winter along the lines of greatest interest to each and then give a short report on what they have accomplished by next spring. The suggestion was made into a motion and carried unanimously.

MILITARY 500 NOV. 16TH
The Parent-Teacher Association held their regular meeting at the school Tuesday evening and various matters were discussed. It was decided to hold a military "500" in November. The next meeting will be held on Nov. 14.

SIDNEY LUMBER COMPANY NOW CUTTING 3,100,000 FT. A MONTH

The Sidney Lumber Co. Ltd. are sure putting Sidney, B.C., on the map in no unmistakable manner. Shipments of lumber from our local mill reach all parts of the world. Production has been steadily increasing until the average cut is now over 3,100,000 feet of lumber per month.

At Chemainus the S.S. Indien, is loading 878,000 feet of lumber from Sidney for the British West Indies, Panama and South America. A considerable quantity of this lumber will be transhipped to the new oil fields that are being developed in the interior of South America and of which we have heard much about in the press recently. The S.S. General Smuts, at Chemainus, is loading some 238,000 feet of lumber from Sidney for Sydney, Australia, for construction work.

LOADING "JAP SQUARES"

In Victoria two ships are loading timbers from Sidney for Japan — these timbers are what is known as "Jap Squares." It may be mentioned that a Japanese buys his lumber in square timbers and cuts it up to suit his requirements. The name of the ships loading are, respectively, the S.S. Bujo Maru for Nagoya, Japan,

taking on 400,000 feet, and the S.S. Tyne Maru some 450,000 feet.

REACH BOTH COASTS

Other boats loading Sidney lumber in Victoria are the S.S. Quinault taking 125,000 feet to San Pedro, California, and the S.S. Seapool is taking 160,000 feet to New York. This is only the business the local lumber company is doing by the water channels of commerce, while the rolling stock of practically every railroad on the American continent has carried Sidney Lumber Co. products to points near and far in Canada and the United States.

EXPORTED 4,200,000 FEET

During the month of August the local lumber company did a huge business, in fact they hung up a record, exporting over 4,200,000 feet by rail and water.

ALWAYS ON THE GO

Something we have noticed as regards mills is the fact that the Sidney Lumber Co. keeps going, year in and year out, whereas a number of mills close down when the lumber market is not so good. The only close downs of the local plant is for overhauling and repairs, and that is taken care of without delay.

SIDNEY LOCALS AND PERSONALS

The winter schedule for the Vancouver Island Coach Lines will come into effect on Monday, Oct. 22nd, as per their advertisement on page two.

The Deep Cove Social Club are holding their opening dance of the season on Friday, Oct. 26th, with Savage's orchestra in attendance. A large crowd of dance fans are expected to be present on this occasion.

Mrs. F. E. W. Smith, who has been visiting at the home of Mr. and Mrs. Barre Higgs, Fourth Street, has returned to her home in Victoria.

Mrs. Ayers and daughter, Miss Ayers, are visiting at the home of Mrs. J. E. McNeill, Fifth Street.

Congratulations are being received by Mr. and Mrs. Wm. Love (nee Miss Nancie Simister), 1603 Bay Street, Victoria, on the birth of a son in Jubilee Hospital on Tuesday, Oct. 9th.

Mr. and Mrs. Hill and family, who have been living for the past years on Third Street, moved on Tuesday to the house on Fifth Street of Mr. and Mrs. Herbert Harrison, who have gone to reside in California.

Mrs. C. Treadwell and Mrs. C. B. Treadwell of Seattle were weekend visitors at the home of Mr. and Mrs. Rankin, Beacon Ave.

The ladies of the North Saanich Golf Club will play for the cup donated by Mr. J. J. White on Wednesday, Oct. 24th.

Messrs. George Finch and Dick

Y.P.S. Plan to Give Play

On Tuesday, Nov. 13th, the play, "Go Slow Murry," will be given in the Auditorium Theatre, Sidney, under the auspices of the Young People's Society. The members have been practising quite diligently for the past month and hope to see a good turnout for their efforts. The play promises to be both amusing and exciting so you will be wise to keep the date open and find out for yourself who stole "Grandma's Ring."

Annual Harvest Social

Owing to lack of space in last issue a number of items were left out for this week, among them the harvest social at the United Church held on Monday evening, Oct. 8th. A large party of entertainers from the First United Church Choir were present and rendered a two-hour program which was greatly appreciated by the large crowd of listeners. At the close of the program refreshments were served in the church basement by members of the Ladies' Aid.

Tarzan, the wonder horse of Ken Maynard's, who appears with Ken in his latest picture, "The Up-and-Downer," Charles R. Rogers' Production for First National, at the Auditorium Theatre tonight and Friday night, has a private car of his own. Ken purchased a horse truck and had it built up made for Tarzan to travel in. Furthermore when on location trips, the truck can be arranged like a box stall with room for Tarzan to lie down in comfort. Oh, for the life of a movie star's horse.

Big Military "500"

The annual card social of the Altar Society of St. Elizabeth's Church, of Sidney, is being held this year on Oct. 23rd, in the Agricultural Hall at Saanich. Military 500 will be played for which there are some excellent prizes for the winners and also some very beautiful tombola prizes.

This event is given annually by the society and is always an outstanding feature for anyone attending. The society extends a hearty invitation to all to join them in the fun.

MANY DONATE TO HOSPITAL

By Review Representative

GANGES, Oct. 18.—The following is the report of the Lady Minto Gulf Islands Hospital for last month. Patients admitted during Sept. 2; discharged, 8; carried forward from Aug. 6. Medical, 1; new born, 1. Total number hospital days, 55.

Donations

The following donations were received: Pufford Fair, flowers and vegetables; Ganges Fair, vegetables and fruit; Mr. Joe Akerman, vegetables and fruit; Mr. Page, half sack potatoes and vegetables; Mr. W. Palmer, box pears; Mrs. Tweedhope, babe's blanket and cakes; Dr. Lawson, apples and flowers; Mrs. G. J. Mouat, flowers, vegetables and fish; Women's Auxiliary, vegetables; Mrs. R. O. King, tomatoes and plums; Sunshine Guild, cash donation and linen; Mrs. Gavin Mouat, jar fruit and two grouse; Mr. Peterson, half venison; Galiano Fair, sack apples and sack vegetables; Mr. E. Walters, tomatoes and apples; Mrs. Purdy, box pears; Mrs. Reid, box pears; Mr. Burkhitt, box apples and pears; Mrs. Mouat, sr., jar pickles and two jars fruit.

The matron and staff wish to extend their thanks for donations received.

FUNERAL OF MRS. TESTER

The Review has received the following account from Ontario of the funeral of Mrs. Tester which will be of interest to a great many readers in Sidney and the surrounding district where she was well known, having been a resident of Sidney for a number of years:

"The funeral of the late Mrs. P. N. Tester took place from the family residence, 114 Yorkville Ave., Toronto, Friday, Sept. 14th, to St. Basil's Church where a requiem high mass was celebrated by Rev. Fr. O'Neil at 9 a.m. The interment took place at Mt. Hope Cemetery, Father McGurke reading the burial service. The pall-bearers were Dr. Riley, Wilfred and Vincent Harris, Albert Faulkner, nephews; Fred Pfister, brother-in-law, and Mr. C. D. McLaren. The floral tributes and mass card testified to the esteem held for the deceased. Besides her husband, and two daughters, Lillian and Muriel, both of Toronto, she leaves to mourn her loss three sisters and three brothers. Mrs. Tester was the daughter of the late Mr. and Mrs. Jas. Beard of Barrie, Ont."

CROSSLEYS GET COLFIX AGENCY

Messrs. J. F. Crossley & Sons, who are well known in Sidney and district as well as Victoria, are now established in Victoria as the exclusive agents for Vancouver Island of a meritorious product known as Colfix.

Colfix is pure asphalt emulsified, a triumph of British chemical research work, in an effort to use pure asphalt in a cold state.

As a protective coating for roofs, either shingle, paper, or tin, it has no equal, and is being used by the railways on structural steel bridges, lining of metal tanks, fence posts, etc., also on culverts; the government fisheries dept. are using it to paint their fish hatcheries as it gives no oily film to the water, no oil being used in its manufacture (it is pure asphalt). This makes it a valuable product for farmers, to paint the interior of silos and water troughs, also fence posts both below and above the ground, or can be used for damp-proofing, tennis courts and driveways. The directions for use are as follows:

Have all surfaces clean and free from all loose particles, oil or grease. Steel brush all metal surfaces down to bright metal.

Wet cement or brick surfaces with water before applying. Use clean fibre brush (not bristle) that has been thoroughly wetted. Do not add any gasoline or kerosene or any kind of thinner. No priming coat needed. Can be applied with spray, but not in a temperature lower than 45 degrees F.

Colfix is now manufactured by Colfix Pacific Limited, Vancouver, B.C. Colfix may be purchased at the Sidney Trading Co., Ltd. Mr. Crossley and his sons report a heavy demand for the material all over the Island and some gangs of men are now busy fixing roofs and driveways under contract. A number of Sidney roofs have been treated already. We understand Mr. Crossley will guarantee any roof job for five years where this new product is used and the cost is only about half as much as a paint job. We see no reason why Mr. Crossley and his sons should not become "big business" men in the next year or so with such a product as Colfix.

ST. ANDREW'S GUILD MEETING

The regular monthly meeting of the Women's Guild of St. Andrew's Church was held at the home of Mrs. A. T. Wassercr, Fifth Street, on Wednesday afternoon, Oct. 10th. The president, Mrs. J. J. White, occupied the chair and there was a good attendance. Mrs. Roberts read the minutes, which were adopted, and the treasurer's report was found satisfactory. The afternoon was given over entirely to the discussion of the bazaar which is to be held on November 13th. Many new suggestions and novel ideas were suggested and discussed. Some beautiful pieces of fancywork were on display. An outline of the afternoon's program was drawn up and various committees appointed to make arrangements.

3100 Inspected by Empire Delegates

The inspection by the delegates of the British Empire Parliamentary Association of the largest passenger engine in the British Empire, the new Canadian Pacific 3100 afforded an opportunity for a group photograph of a number of prominent members at Windsor Station on their way home. From left to right they are: A. B. Calder, special representative of the Canadian Pacific Railway; Gordon O'Sullivan, T.D., and Martin Roddy, T.D., from the Irish Free State; Jozeu Francois Tom Naude, M.L.A., South Africa; Hon. L. Crippa, Speaker of the Legislative Assembly of the Colony of Southern Rhodesia; Hon. Ernest George Trench, M.L.A., Speaker of the House of Assembly, South Africa; Senator William George Thompson, V.D.; Australia; Sir Samuel Chapman, M.P., Great Britain; Geo. Hambleton, Ottawa; C. W. Masterson, Montreal; and Major Guy Kinderley, M.P., Great Britain.

CRITICISM

He who would accomplish things must toughen his hide to the darts of criticism. Because some people laugh at us, while others doubt our ability or sincerity, we can't afford to stop trying.

A great deal of criticism is prompted not by a desire to help, but by envy, dislike, or other unworthy motives.

The criticism that is obviously well intended, and founded on intelligent understanding of our purposes, should be welcomed. The other kind should be allowed to pass off as water runs off the duck's back.

Above all, we should never be afraid to attempt things because of the criticism we know will be levelled at us. It is better to fail than to quail.

Canadian Pacific Directors & Eastern Financiers Inspect the West

From left to right, front row:—F. W. Molson, director; Sir Charles Gordon, president Bank of Montreal; Sir Herbert Holt, director C.P.R. and president Royal Bank; E. W. Beatty, chairman and president; N. W. Tilley, K.C., director; W. A. Black, president Ogilvie Milling Co. and director; Col. Henry Cockshutt, president Cockshutt Plow Co. and director.
Standing:—Mr. Beaudry Levan, general manager Banque Canadienne Nationale; D. C. Coleman, Vice president Canadian Pacific western lines; Dr. W. W. Chishman, Montreal; James A. Richardson, director, Winnipeg; Ross H. McMaster, president Canada Steel and director; W. J. Blake Wilson, director, Vancouver; Hon. Smoot White, president Gazette, Montreal. This group was photographed at Banff Springs hotel.

One of the most outstanding groups of eastern business men that ever visited western Canada together accompanied Mr. E. W. Beatty, chairman and president of the Canadian Pacific on his recent annual tour over the company's western lines. The party which was representative of the financial and industrial activities of all Canada left Montreal at the end of August and spent a full month travelling about the country between Montreal and the Pacific coast.

The purpose of the tour was to become more conversant with western conditions and problems—and more particularly to visit The Peace River country, most of the party never having been there before.

The party returned east with optimistic views regarding the entire country visited.

"I have never seen the country looking better at harvest time," said Mr. Beatty on his return, "and in all my experience I have not previously found so general a feeling of complete confidence in this country and its possibilities as was observed in the cities and districts where we made stops and had an opportunity of talking things over with their representative citizens. More than ever am I impressed with the potentialities of Canada's north land. I think it almost too much to say that Canada's future lies to the north and that the opportunities already discernible there are a challenge to the oncoming youth of the older parts of the country."

"We had an excellent opportunity of learning this," said Mr. Beatty, "during our visit to the Peace River country which most of us had not previously seen. As a result of that visit we have arranged to take over and operate the E.D. & B.C. Railway, which arrange-

ment, I believe, will prove very greatly to the advantage of that country and the people who live there."

"It is a beautiful as well as a fertile country," continued Mr. Beatty. "I can perhaps liken it best of all to some parts of old Ontario. It is a rolling country, in some places quite heavily wooded and much broken by lakes and rivers. The soil is generally a rich, black loam and highly productive, and although there is a steady movement of settlers into the area which will no doubt increase in volume as it becomes better known, its extent is so great that it must be years before the available land is all taken up. Our party took every advantage of the opportunities offered to see the country. We motored over three hundred and fifty miles of its excellent roads, and almost everywhere we found fine farms or newly broken homesteads and in some cases well settled communities having every appearance of prosperity. In town and country alike we met with a cordial welcome and I think our visit was taken as a friendly gesture of interest on the part of the East towards the new, far Northwest. We motored over the British Columbia border line as far as Rolla and as far north as Peace River Landing, and still feel we did but touch the edge of Canada's great north."

"It is hardly possible to say what the next few years will bring to that country, but we must recognize the fact that there is a new Canada being opened up well beyond the limits we have previously considered to be the northern limit of habitation and production. We hope that we shall shortly be able to go to work on the task of putting the E.D. & B.C. Railway into better shape to serve the communities it reaches. Much money will have to be spent in order to bring it up to standard and it will also take some time."

TIT - BITS from the NORTH SAANICH SERVICE CLUB

About 60 members and their guests gathered in the club rooms last Saturday to enjoy the weekly social evening. "Five Hundred" was played at 12 tables and the winners at the end of 20 games were Miss Bawden, who

won on a cut from two other ladies and Mr. Etcock. Refreshments and dancing brought the evening to a close at midnight.

MILITARY 500

The committee in charge of military 500 to be held in the club rooms next Saturday at 8.15 o'clock in commemoration of Trafalgar Day are looking for a large crowd, as many tables have already been reserved. This can be done by phoning Mr. Sansbury at 9-R. Members and guests are asked to be on time so that play can start punctually.

LADIES' AUXILIARY

The Ladies' Auxiliary will meet next Wednesday, the 24th, at the home of Mrs. Michell, Centre Road, at 2 p.m. Final arrangements for the bazaar and fancy fair will then be made.

CARD OF THANKS

Mr. and Mrs. H. E. Brown, North Salt Spring, wish to extend their thanks to all who were so kind to them in their recent misfortune in the loss of their home and belongings through fire.

THE GOVERNMENT OF THE PROVINCE OF BRITISH COLUMBIA

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS
Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes. Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre east of the Coast Range Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to the value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin, "How to Pre-empt Land."

PURCHASE
Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, and 8,000 feet per acre west of that may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES
Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and the land has been surveyed.

LEASES
For grazing and industrial purpose areas not exceeding 640 acres may be leased to any one person or company.

GRAZING
Under the Grazing Act the Province is divided into grazing districts, and the range administered under the Grazing Commission. Annual grazing permits are issued, based on numbers ranged, priority being given to established owners. Stockowners management, free, or partially free, permits are available for settlers, campers and travellers up to ten head.

LETTERS TO THE EDITOR

The Editor assumes no responsibility for the views expressed by correspondents. All letters must be signed by the writer, not necessarily for publication. Writers are requested to be brief and to the point.

"TOC H"

The Editor, "Review," Sidney, B.C.

Sir:—In view of the various strictures which have been aimed at the above Society for giving up their Sunday's rest to help build a home for their younger brethren, it might be well to put the object of the Society before the community.

The Toc H is an organization of men similar to the Boy Scouts in that they are out to help others. These citizens, business and professional men, whose duties keep them busy all the week, have banded together to devote their one free day, when called upon, to help out any deserving object or person brought to their attention.

The key word of the Society is "Sacrifice," a denial of their own pleasure and ease for the benefit of others.

Did the Toc H, by coming out 20 miles in a pouring rain and working hard all day gratuitously to help the boys and girls of Sidney, sacrifice themselves or not—or was the sacrifice nullified because it was on Sunday?

There are different points of view on the matter as the strictures, already mentioned, show; but are they not conceived in a misconception of facts? The Sabbath was made for man not man for the Sabbath. No one works at his ordinary occupation for gain, willingly, on Sunday; but when it is a case of self denial or necessity it is different.

The Toc H voluntarily deny themselves the day's recreation and it is hard to see why it is more wicked to drive a nail on Sunday for the benefit of someone else than it is to drive a golf ball for your own pleasure or to play tennis or go swimming or fishing or shooting or motoring, yet the first, which is self denial, is the only thing condemned. Is it not the good we do that counts rather than the beliefs we say we have?

The matter of the Guide and Scout Hall building is one of public opinion. No Guide or Scout would wish to hurt or antagonize anyone's convictions but they naturally want their hall. The Toc H have offered to come out on a Sunday, the only day they have, and put on the shingles and a public spirited lady has offered to give them their lunch.

If this generous offer is to be turned down, will those who decide that way subscribe the necessary \$30.00 to do the work? This would be practical.

(Signed) G. E. GODDARD.

Tree-trimming prevents trouble on 500 telephones

Trouble was prevented on at least 500 telephones as the result of the trimming of 3,000 trees by telephone maintenance men in Greater Vancouver this year.

Trimming of trees which grow near telephone lines is essential to good telephone service because, if the branches became entangled with the wires, it would put the telephones served by those wires out of order. So that the trees may be saved as much as possible, only expert tree-trimmers are permitted to do the work.

This is another of the many ways in which the ever-alert maintenance men prevent trouble before it develops.

FULFORD
By Review Representative

Born — on Friday, Oct. 5th, at Steveston, B.C., to Mr. and Mrs. Nick Stevens, Beaver Point, a daughter.

Mrs. Ayers and Miss I. Ayers left on Monday to spend a week with Mrs. McNeil at Sidney.

Mr. Dave Maxwell has returned home from fishing.

Mr. W. Hamilton paid a short visit to Fulford on Monday last.

Mrs. Jack Cairns went to Victoria on Friday for the day.

Mr. John Reid spent Saturday in Victoria.

Mr. and Mrs. Thos. Wellburn of Victoria spent the weekend at Fulford. They were the guests of Mrs. Wellburn's parents, Mr. and Mrs. J. Hepburn.

Mr. Arthur Hepburn paid a short visit to Fulford on Sunday on his way to the Fraser River.

Mr. R. Maxwell went to Victoria on Friday for the day.

Rev. Howard was a guest at the White House on Friday last.

Two of the Fishery Patrol boats, the "Thiefra" and "Armitiers," paid a few days' visit to Fulford Harbour last week.

GANGES
By Review Representative

Mr. Joseph Howe and Mr. and Mrs. Reade of Vancouver arrived at Salt Spring on Monday. They are the guests of Mr. and Mrs. N. W. Wilson at "Barnsbury."

Born—at the Lady Minto Hospital, Ganges, on Saturday, Oct. 13th, to Mr. and Mrs. C. W. Tolson, a son.

The Harvest Thanksgiving service was held at St. Mark's Church on Sunday morning, Oct. 7th. The church was prettily decorated with flowers and fruit for the occasion. An oak pulpit, in memory of Mr. John Cannon Scovil, given by his friends to the church, in which he had attended for so long, was dedicated by Rev. J. W. Flinton. The hymn "Nearer My God To Thee" was sung for the dedication service.

On Friday, Oct. 5th, Mrs. N. W. Wilson, assisted by Mrs. Mouat and Mrs. Goodrich, held a silver tea and miscellaneous shower at "Barnsbury" for the benefit of Mr. and Mrs. H. E. Brown, whose home was completely destroyed by fire recently. Twenty-two dollars were collected and many useful gifts were given.

Miss Amy Vye spent the weekend in Victoria.

Mr. Guy Brown returned home on Saturday from the Prairies.

Mr. Frank Crofton is a patient at St. Joseph's Hospital, Victoria, suffering from the effects of blood poisoning.

Miss Doreen Crofton returned home on Tuesday last from Victoria, after a short visit with Colonel and Mrs. Bennett.

Mr. Kenneth Halley, North Salt Spring, left on Tuesday last for the University of B.C. at Vancouver where he will resume his studies. He was the guest of Capt. and Mrs. K. G. Halley.

Mr. Rerrie went to Vancouver on Friday for a few days.

Mr. A. J. Ford returned to Vancouver on Tuesday last after spending a few days on the Island where he was the guest of Mr. and Mrs. W. E. Scott at "Rockridge."

The annual meeting of the Salt Spring Island Badminton Club was held in Central Hall and the following officers were elected for the coming season: President, Mr. F. P. Penrose; secretary, Mr. Cecil Springfield; committee—Messrs. N. W. Wilson, T. P. Speed and Mrs. Cecil Springfield.

IN MEMORIAM
UPSTAIRS

Passed on beyond our mortal vision, All heedless of our falling tears, Unconscious of our desolation, Unnoting all our lonely years.

And while in silent grief we lingered, Came tender voices unheard before;

"Weep not; the one whose loss you sorrow Has 'gone upstairs and shut the door.'"

In loving remembrance of J. J. Jackson, who was killed on Oct. 21st, 1927.

Inserted by his mother and father, brothers and sisters.
